died Trigg County, Kentucky, January 10, 1864

name Clark, as well as Clarke, Clerk and Clerke are all derived from “official ‘the’ clerk, I. e., th The e clergyman, a clerk in holy orders. Middle English ‘clerk,’ a priest. The surname is now almost universally Clark and Clarke, the professional form adhering to ‘clerk;’ cf., the silent agreement between tailor and Taylor. If Clark and Clarke be as one name, they stand ninth among the commonest surnames to be found in England.”

Clark and Clarke are variants of Clerk and Clerke. The Irish Clarkes are mostly Clearys Anglicized.

Most genealogy software today does not include the word county in showing the place of birth, marriage or death. Only the name of the county is shown to avoid the repetitious use of the term county. In this genealogy “County” is generally abbreviated as “Co.” If a town or city is shown as the place where these events occurred. An effort is made to so indicate.

First Generation

1. (Joseph?) Clark; appears to have married prior to July 12, 1792, Lydia (Jones or Warren? Lydia was living in Pittsylvania County, VA in 1814). Child, no indication of others:  
   + 2. Warren Clark; born April 12, 1793; died Jan. 10, 1864.

If one assumes Lydia possibly was a Warren, then the Warren families become important. Prof. Holland D. Warren, 207 Nottingham Circle, Lynchburg, VA 24502 has a book Warrens and related families of North Carolina and Virginia, 442 pages: ill., maps; 24 cm, in which he traces the various Warren families from Spotsylvania Co., VA to Halifax Co., VA around 1750 and later to Caswell Co., NC. For example, James Warren, wife Sarah Link, was born in Spotsylvania Co., and died in Caswell Co. His son, Boswell Warren was born ca. 1770 lived and died in Caswell Co, NC. John Warren was the father of James Warren who married Sarah Link. John Warren also had a brother James Warren.

If, on the other hand, one assumes Lydia possibly was a Jones, then the family and ancestry of Moses/Mosias Jones of Pittsylvania Co., VA becomes important. There was reported on film number 1903772, one Lydia Jones, born 1763 in Whitingham, VA.

Second Generation

2. Warren Clark; born Pittsylvania Co., VA, April 12, 1793; lived in Pittsylvania Co., VA 1820 and 1830; came to Kentucky in 1835; lived in Caldwell Co., KY, 1840 and later moved to the Bethesda area of Trigg Co., KY; died near Rock Castle in Trigg Co., KY, Jan. 10, 1864, and is buried nearby; married first, Pittsylvania Co., VA (marriage bond dated March 20, 1815), Rebecca Frizzell (born Pittsylvania Co., VA, 1790-1800; died Trigg co., Ky., 1838; daughter of Abraham Frizzle and Sarah Williams who married Pittsylvania Co., VA March 19, 1788). Children; seven were born but the names of only four are known. James Warren Clark wrote: "That takes the last of our old family but me. There was nine of us once, but now only one..., etc." This could mean that there were seven children and this is indicated by census records. One grandchild said there were nine children but this grandchild from Warren’s second marriage possibly had in mind the nine children Warren had by his second wife.

+ 3. Sarah “Sally” Clark; born Pittsylvania Co., VA, 1815/1816; died in Texas prior to Dec. 3, 1868; probably in Rusk County.
5. A son; born 1820-25; shown in 1830 census; not shown in 1840 census; believed to have died between 1830 and 1840. See Appendix C for more on this question.
+ 6. Rebecca Warren Clark; born Pittsylvania Co., VA, Jan. 21, 1826; died Oct. 16, 1884; born 1824-25, according to 1880 census.
7. A daughter; born 1825-30; shown in 1830 and 1840 censuses.
8. A daughter; born 1825-30; not shown in 1840 census; believed to have died prior to 1840.

The Pittsylvania Co., VA, 1820 census showed one child, and the 1830 census showed six children. The family was in Caldwell Co., KY, in the 1840 census which showed three children (two other children are known to have been married at this time). In 1850 and 1860 the family is shown in the censuses of Trigg Co., KY.

3 The inventory and appraisement of the estate of Warren Clark, deceased, is recorded in Trigg Co., KY, Will Book G, pp. 185, 186. The inventory and appraisement is dated Feb. 4, 1864, and returned into Court Sept. 11, 1865, and ordered to be recorded, which was done Jan. 19, 1866. A true and correct bill of sale of the estate of Warren Clark was made Feb. 6, 1864 and was on the 11th day of Sept. 1865 returned into court and ordered to be recorded which was done Jan. 20, 1866, in Wills Book G, page 186.

4 Pittsylvania County Virginia Marriage Bonds 1767-1864, typed by the Genealogical Society of Utah, 80 North Main Street, Salt Lake City, Utah, November 1937 (DAR Library Volume #35204):
Page 45: Clark, Warren and Rebecca Frizzle, 20 March 1815; Abraham Frizzle - father.
Page 94: Frizzle, Abraham and Sarah Williams, 19 March 1788 (register).
Warren Clark married second, in Trigg Co., KY, Jan. 5, 1843, **Rebecca Saunders Faughan** (died Crittenden Co., KY, ca. 1896). Children; all born in Trigg Co., KY, with possible exception of some in Lyon Co., KY:  
+ 10. Leander/Leeander Ceard Clark; born 1842-1843.  
+ 11. Joseph Clark; born 1845-1846; living Mississippi Co., AR, 1910, age 64.  
+ 12. Virginia A. Clark; born April 1, 1848; died Feb. 11, 1937.  
+ 16. Lynn/Linn Clark [male], born 1857-1858.  
  17. Carolina/Caroline Clark, born 1858-1859; died prior to 1870 census.  
+ 18. America Clark; born 1861-1862.  

For an investigation into the probable ancestry of Warren Clark see **Appendix A** shown herein.  

The family is enumerated in the 1870 census of Bethesda Precinct of Trigg Co., KY, Post Office Cadiz, as follows: Rebecca Clark, age 52; Virginia, age 23; Asia, male, age 19; Louisiana, age 16; Linn, age 12; and America, age 7. William Clark, age 21 is shown on the same page listed separately. Carolina, born 1858-1859, and Leander Ceard, were deceased. All members were born in Kentucky.  

This account of the Clark family concerns Warren Clark, his contemporaries and descendants. The ancestry of Warren Clark is an enigma. In his widow’s pension application it is stated that he was born in Pittsylvania Co., VA, and his census records indicate he was born in Virginia. Pittsylvania County personal property tax records of 1793 and later years, when considered with all other county records, would indicate the probability his father was a Joseph Clark. There were two Joseph Clarks in the county and which one is not known; the antecedents of neither are known. It is certain that his mother’s name was Lydia as he is shown with her in tax records. The father at this time is presumed to be deceased. Warren Clark gave the middle name Warren to both a son and a daughter.  

Several Clark families were residing in Pittsylvania Co., VA in 1820 and 1830, however, their relationship, if any, to Warren Clark is not known. Since Warren was born in Pittsylvania County and lived there for some years after his first marriage would seem to indicate he had family ties there besides his wife’s family.

5 A copy of their marriage certificate, number 919 is on file at the Trigg Co., KY, Courthouse at Cadiz, KY. The actual marriage may have occurred Jan. 28, 1843.  

6 1850 census of Trigg County, KY, 1st District; page 633; family 415. 1860 census of Trigg County, KY, page 51; family 380. 1880 census of Crittenden County, KY; Supervisors District No. 1; Enumeration District No. 56; Union District; page 11; family 95.
A grandson, Mr. Rufus A. Holt, told this writer that Warren Clark moved to Kentucky when his daughter Rebecca Warren Clark was nine years old. This indicates he arrived in Kentucky in 1834 or 1835. He is shown as a farmer with his family in the 1840 census of Caldwell Co., KY, with one son aged 5-10 [James Warren Clark], and one daughter aged 15-20 (this is apparently Rebecca Warren Clark who had not yet married). Lydia A. married Dec. 14, 1841. The 1850 census shows Leydia A. with her husband William Bush.

If Warren Clark and Rebecca Frizzell had more children living than the four named above, then any others whose names we do not know must have married prior to the 1840 census. Warren and Rebecca had been married 25 years when the 1840 census was taken.

Warren Clark was a veteran of the War of 1812. He was drafted about August 15 or 20, 1814, at Mrs. Bever’s House, an inn in Pittsylvania County and was discharged at the village of Ellicotts Mills, Maryland. A copy of his Honorable Discharge reads as follows:

**HONORABLE DISCHARGE**

CAMP,

Ellicott’s Mills, 1 December 1814

Warren Clark, Fifer in Lieut. John Adams’ company of the 4th Regiment, 2nd Brigade Virginia Militia, having served a tour of duty in the service of the United States, is hereby honorably discharged.

John Adams, Lieut.

W. C. Greenhill

Lieut. Col. Commanding

4th Regiment, 2nd Brigade

Virginia Militia

Warren Clark was issued Warrant No. 12,400 for 40 acres July 24, 1851, and Warrant No. 12,746 for 120 acres March 3, 1855. Following is a copy of the application of his widow, Rebecca Saunders (Faughan or Faughn) Clark, for a pension. The original of this document as well as several other papers including his original honorable discharge from the army are on file in the National Archives in Washington, DC.

The widow of Warren Clark, Rebecca S. Clark, aged 62, made application Sept. 23, 1880, while a resident of Crittenden Co., KY, with address at town of Marion, KY, for a pension under the provisions of sections 4736 to 4740 inclusive Revised Statutes, and the act of March 9, 1878, for the service of her husband during the War of 1812.

She said her husband was drafted at Pittsylvania County, VA, and served for a term of three months; that he was then 21 years old, a farmer, born in Pittsylvania County, VA, height 5 feet, 4 inches, complexion fair, blue eyes, and light hair. She further states she was married to Warren Clark in Trigg County, KY, on Jan. 5, 1843, by one James Mitchell, minister of the Gospel, and that her name before marriage was Rebecca S. Faughan. She states that Warren Clark had been previously married to Rebecca Frizzell who died in Trigg County, KY, in 1838,
and that he died in Kentucky, Jan. 10, 1865 (estate record indicates 1864). She states that she
and her husband lived the whole time in Trigg County, KY, except four years in Lyon County,
KY. The document was attested to by J. W. Clark, aged 49, residing in Livingston County, KY,
and by A. J. Donakey, aged 44, residing in Crittenden County, KY. J. W. Clark stated, “I am a
son of the said Warren Clark & know that applicant is his widow & his second wife, & know that
his wife (first) is dead, who was my mother.” A. J. Donakey says that he has known said Warren
Clark deceased & Rebecca S. Clark since he was a small boy - lived near them visted them - staid
all night withem & they recognized each other as Husband & wife.”

Abram Frizzle is shown in the 1820 Pittsylvania, Co., VA census with household
consisting of one male 0-10; three males 10-16; one male or 45 and over; one female 0-10; and
one female 16-26.

Both the 1800 and 1810 censuses for Pittsylvania Co., VA, are missing. In the 1820
census Warren Clark is enumerated on page 782 as the head of a household consisting of one
male [himself], of 26 and under 45 years of age; one female, under 10 years of age; and one
female of 45 and upwards. One person is engaged in agriculture.

In the 1830 census of Pittsylvania Co., VA, Warren Clark is listed on pages 24 and 25 as
head of household consisting of one male of 5 and under 10; one male of 30 and under 40; two
females under 5 years of age; two females of 5 and under 10; one female of 10 and under 15; and
one female of 30 and under 40.

Warren Clark, widower, is shown in the 1840 census of Caldwell Co., KY, as follows:
One male of 5 and under 10.
One male of 40 and under 50.
One female of 10 and under 15.
One female of 15 and under 20.

Warren Clark is enumerated in the 1850 census of Trigg Co., KY page 318, in the
Bethesda area as follows:
414-415 Warren Clark 57 farmer born VA
Rebecca Clark 33 born KY
Joseph Clark 4 born KY
Virginia Clark 2 born KY
William Clark 1 born KY

Children as indicated from 1820 and 1830 census records and family information: a
daughter, born 1816-20; two daughters, born 1820-25; a son born 1820-25; two daughters born
1825-30; and James Warren Clark born Pittsylvania Co., VA, Dec. 10, 1830.

Rufus A. Holt, a grandson of Warren and Rebecca (Frizzell) Clark who was living at
Route 1, Box 178, San Jacinto, CA, in 1956 wrote that one girl married Derius Molton [Darius
Moulton] and they moved to Texas, and that another child, Liddy married William Bush and they
also moved to Texas. Mr. Holt said James Warren Clark and his mother Rebecca Warren (Clark) were the only ones of which he had detailed knowledge. Rufus A. Holt wrote that James Warren Clark and children lived with his father and mother for approximately two years and that during this time Frederick Clark [one of the children] contracted tuberculosis from which in a few months he died. M. Alice Clark, another child, spoke of living for a time with the Holts.

Mrs. Kitty Saunders (Hankins) Ramage of the town of Burna, KY, said her grandmother, Rebecca Saunders (Faughan) Clark, the second wife of Warren Clark, had nine children, and that Warren Clark had nine children by his first wife (this apparently is in error).

From the marriage bond of Warren Clark and Rebecca Frizzell, dated March 20, 1815, and recorded in Pittsylvania Co., VA, we know that Rebecca Frizzell, who was born in Pittsylvania Co., VA, 1790-1800, was a daughter of Abraham Frizzle (also spelled Abram and Frizzell or Frizzle) and Sarah (Williams) Frizzle. Abraham Frizzle, a farmer, married Sarah Williams in Pittsylvania Co., VA. The marriage bond is dated March 19, 1788.7 Abram Frizzle is shown in the 1820 census of Pittsylvania with 1 male born 1810-20; 3 males born 1804-1810; 1 male born prior to 1776; 1 female born 1810-20; and 1 female born 1794-1804.

Warren Clark and spouse Rebecca Frizzle appear in LDS Family History Library, film #446019, reference 63064, and film #457457.

Mr. Charles H. Hamlin, a Certified Genealogist, of Powhatan, VA, researched Pittsylvania Co., VA, for Warren Clark’s ancestry, etc. Mr. Hamlin wrote:

“Marriage Records (1767-1805) by Knorr, page 33 - 19 March 1788 - Abraham Frizzle and Sarah Williams, George Hill, Sec.

“Personal Property Tax Lists [original] -Pittsylvania County. These tax lists commence in Virginia in 1782 and purport to list the names of all white male residents of each county, each year, and their personal property such as slaves, horses, cattle, etc. The Land Tax lists were rendered also each year separately. These (adult) males were also required to list their sons (by name or number) as they became age 16 and until they became age 21 at which time they would then list themselves as adults and in their own responsibility. Pittsylvania County was divided into two districts, each of which reported each year. [Designated as District ‘A’ and District ‘B’ which were probably the upper and the lower sections.]

7Pittsylvania County, Virginia Marriage Bonds 1767-1864, typed by the Genealogical Society of Utah (Salt Lake City, Utah: 80 North Main Street, November, 1937), pages 45 and 94.
“If we assume that Warren Clark was born in Pittsylvania County in the year 1793 then the names of the adult males become very important as possibly being his parent. If he was born in another county or State, we may confuse the issue or premise.

“In the years 1793-1794 and 1795 in District ‘A’ we find listed as adult residents three William Clarks. To differentiate between them, on his records, the old clerk has designated one of them as (Captain) later as Major and later still as ‘Colonel’; one is designated as (‘P C’) and the other as (‘Jenkins’) these could have been the Creeks on which they lived. One of these Williams died testate in 1795 and named his wife, Anna, mother, Martha, and some sisters as legatees. We can therefore eliminate him.

“In the years (1793-4-5) in District ‘B’ are found two Joseph Clarks (one on Carr Branch) the other designated as (Cascade) there is also a John Clark and a Leonard Clark (Senior) who is exempted from taxes after 1795, very likely as being over age 60 and no longer able to labor. Incidentally, this Leonard still appears as ‘exempt’ as late as the year 1816 which is the last year I checked.

“In the years 1811 and 1812 when Warren would have been in the age bracket ‘16 or over’ and ‘under 21’ we find in

District ‘A’

“All of the above are still listed in the year 1813 but a new name ‘Lydia Clark and son’ is added to the list and she is evidently a “Widow” whose husband has just died in 1812 or she has come into the county from somewhere else.

“I am persuaded that the ‘son of Lydia’ was your Warren Clark as in the year 1815- ‘Liddy’ Clark has no son taxed on her name and your Warren Clark appears for the first time on these lists as an adult (proving that he was born at least by 1793 or 1794).
“The Land Tax Records for the years 1816 thru 1820 were searched and altho other Clarks were taxed on their holdings there were none listed in the name of either Lydia or Warren. Index to both ‘Deeds’ (Grantee and Grantor) and to ‘Wills’ was searched for the names of Lydia and Warren but it appears that neither ever had land in their respective names or were mentioned in a will except as hereafter cited.

“Clark family Bible
Pittsylvania County
[1798 - 1954] - 7 prints

An examination reveals this Bible record as of David H. Clark, son of Colonel William Clark and Jane, his wife, who was born 8 April 1798; died 24 April 1861 and of Martha Maria, his wife, born 5 September 1811; died 17 Dec. 1860 and which continues with their children with Wilson... Coleman... Green...descendants.”

It is interesting to note that of the children of Warren Clark by both wives, some four or
five of them moved to Texas. It is documented that Sally (Clark) Moulton [her name was probably Sarah]; Leydia A. (Clark) Bush; James Warren Clark; and Virginia (Clark) Hammonds all lived and died in Texas. Joseph Clark, born Trigg Co. or Lyon Co., KY, 1845-1846 ended up in Mississippi Co., AR.

Third Generation

3. **Sarah “Sally” Clark**: born Pittsylvania Co., VA, 1815 or 1816; died in Texas, probably in Rusk County prior to Dec. 3, 1868; living Caldwell Co., KY, 1850; married in Kentucky, prior to 1850, **Darius Moulton** (teacher; born Vermont, 1801-1802; living Caldwell Co., KY, 1850; living in Rusk Co., TX by Dec. 1868). No children are shown in the 1850 census. Sarah and Darius had a daughter born in Texas:

+ 19. Albina A. Moulton; born Texas, Nov. 20, 1854; died Dec. 17, 1935, probably in Shelby Co., TX.

Sally Clark appears to have been named for her maternal grandmother, Sarah Williams. Albina A. Moulton was in Rusk Co., TX in 1870 with her father and step-mother Nancy.

In 1930 Albina A. Bridwell, age 75, widow, born in Texas; father born in Vermont; mother born in Virginia; was living in Timpson, Shelby Co., TX with her grandsons, Guy N. Bridwell, age 19 and Marion C. Bridwell, age 20. On the same census page Albina’s second son Frank M. Bridwell and wife are enumerated.

James Warren Clark, born Virginia, 1831-1832, and his sister Rebecca Clark, born Virginia 1827-1828, were living in 1850 in the household of their sister Sally (Clark) Moulton.

“January 21, 2007
Patsy Bridwell,

I received your e-mail. Glad to hear from you. It seems your Sanford Augustus Bridwell, born Dec. 30, 1817 in Tennessee and wife Hellen Ellisa Nolen (born in Blount County, TN) of the Concord Community in or near Rusk County, TX, were the parents of Joseph Nolen Bridwell, born Benton County, AL, April 6, 1842 or April 6, 1843 [cemetery record]; died Feb. 25, 1923; buried Caledonia Cemetery, Rusk or Shelby County, TX, who married Albina A. Moulton.

I have an extensive genealogy of the maternal ancestry of Albina A. Moulton and am interested in tracing all of Albina’s descendants. Unfortunately, I have been unable to make contact with any of these Bridwells.

I do not know if you might also be interested in tracing descendants of Joseph Nolen Bridwell and wife Albina since they would be your distant cousins.

I am attaching a Word Perfect file giving considerable material on descendants of Joseph Nolen Bridwell and Albina A. Moulton for your perusal.

Do you know of any of their living descendants? What can you and I further research?

For more information on Sally Clark and Darius Moulton see Appendix B shown herein.

**Darius Moulton** married second, in Rusk Co., TX, Dec. 3, 1868, **Nancy J. Lorance** (born Alabama, 1835 or 1836). Child shown in the Rusk Co., TX 1870 census: Sarah J. Moulton, seven months of age in the 1870 census.

Nancy J. was previously married to Alfred J. Lorance (born Alabama, 1834 or 1835; living Welborn, Conway Co., AR, 1860). Children of Alfred and Nancy J. Lorance shown in Conway Co., AR 1860 census:

Margaret L. Lorance; born Mississippi, 1852 or 1853; living with her mother and step father Darius Moulton in Rusk Co., TX in 1870.

Jas. J. Lorance; born Mississippi, 1854 or 1855; not shown with his mother in 1870.

Chas. Lorance; born Arkansas, 1857 or 1858; not shown with his mother in 1870.

Calvin M(onroe) Lorance; born Arkansas, three months of age in 1860 census; living in 1870 with his mother and step father Darius Moulton.

Darius Moulton and Sarah “Sallie” Clark moved to Texas by 1853 or 1854 where Albina A. Moulton was born in Texas, Nov. 20, 1854; died Dec. 17, 1935. Albina was living in Rusk Co., Texas in 1870 with her father and step-mother Nancy. James Warren Clark, born Virginia, 1831-1832, and his sister Rebecca, born Virginia 1827-1828, were living in 1850 in the household of their sister Sarah “Sally” (Clark) Moulton. Sally Clark appears to have been named for her maternal grandmother, Sarah Williams.

According to the 1850 Caldwell Co., KY census, Darius Moulton, teacher, was born 1801-1802 in Vermont and married to Sally. From Rufus Holt, a nephew by marriage, it is known that Sally was a daughter of Warren Clark. Darius was living somewhere in Texas in 1860. Darius Moulton was the first or one of the first school teachers in Caldwell Co., KY. He married second, in Rusk, TX, Dec. 3, 1868, Nancy J. Lorance. He is shown in the Rusk Co., TX 1870 census, with Henderson, TX post office; as a farmer, age 68 with wife Nancy J., age 34, born Alabama, and one child, Sarah J. seven months of age. It is apparent that only the last named child, Sarah J. is from Darius and Nancy even though Moulton is give as the surname for all the children. Other members of the household are Margaret, age 17, born in Mississippi; Albina A., age 16, born in Texas; Monroe, age 10; born in Arkansas. These three are shown with surname Moulton, however, Albina A. is not shown in Nancy J. Lorance’s household in 1860 in Conway, AR so she being born in Texas must belong to Darius. In 1930 Albina indicated her mother was born in Virginia. Margaret L., Jas. J., Chas., and Calvin M(onroe) are all shown as children of Nancy J. Lorance and her husband Alfred Lorance enumerated in the Welborn, Conway Co., AR 1860 census. James Warren Clark brother of Sally (Clark) Moulton shown above, mentioned Albina in a letter he wrote from Rusk Co., TX to his daughters in Kentucky.

4. **Lydia/Leydia A. “Liddy” Clark**; born Virginia, Sept. 23, 1820; died in Grayson Co., TX, Nov. 26, 1888; married Caldwell Co., KY, Dec. 14, 1841, **William Bush** (farmer; born
Kentucky, 1808-09; living Caldwell Co., KY, 1850; his second marriage; died Grayson Co., TX, April 6, 1900). Children as shown in 1850 census; all born in Kentucky:

+ 20. Edwin R. Bush; born 1842-1843; died prior to 1870; married Grayson Co., TX, September 1864, Elizabeth Henrietta Wilkins.

Leydia A. and her husband William Bush lived in Caldwell Co., KY, and later moved to Texas, sometime during the years 1876-1880. Leydia A. was shown as 59 years of age in 1880 and her sister Rebecca Warren was shown as 55 years of age. Rebecca Warren Clark was nine years of age when the family moved in 1833 or 1834. The 1850 and 1880 censuses also show the family of William I. Bush, born 1837-1838, who was a son of William Bush by his first wife Permilla Unknown.

William I. Bush; born Kentucky, 1837-1838; died Trigg Co., KY, Feb. 13, 1905; living Grayson Co., TX, 1880; married Nov. 21, 1865, Lucy Ann Grasty (born Trigg Co., KY, 1840-1841; living 1880). Children shown in the 1880 census:

An abstract of the Christian Co., KY, last will of W. B. Holt dated Sept. 11, 1890 and probated Sept 7, 1891 shows H. L. Holt as the only heir named in the will. H. L. Holt was the executor and witnesses were John Boyd and A. H. Clark.13 It is curious that Hannibal L. Holt gave Indiana as the place of birth of his father in at least one census and in the 1870 census the father William B. Holt is shown as born in Indiana. One W.B. Holt, born in Indiana, age 26, was living in McCracken Co., KY, in 1850 and single.

William B. Holt probably is a son of L. B. Holt, born Virginia, 1781-1782, who is shown living in the household of William B. Holt in 1860.

Rebecca Warren (Clark) Holt was living is Christian Co., KY, in 1880,14 age 55, born Virginia; parents both born in Virginia. Her husband William B. Holt, age 59, born Virginia, and son Ruffus Holt age 18, are the other members of the household. In 1850, a “W. B. Holt” is shown in McCracken Co., KY, page 165 and another W. B. Holt is shown in Union Co., KY, 1850 and in 1860 whose identities are unknown.

From census ages it would appear that James Warren Clark was born in 1831 or 1832; however his birth is given by family as Dec. 10-, 1830. 1850 census shows 18; 1860 census shows 29; 1870 census shows 38 and 1880 census shows 48. He was probably born Dec. 10, 1831.

James Warren Clark taught school in Livingston and Crittenden Counties, KY, and in later life in Rusk Co., TX. Mrs. G. O. Cavanah of Crittenden Co., KY, had letters that he wrote while in Texas, two of which are shown below.

“Caledonia, Rusk County, Tex.
Feb. 3, 1889

Dear Son & Daughter

It has been sometime since I heard from you. I answered your last letter, but have never received any reply. I have concluded to try it again. I have not been well this winter. I have been troubled with asthma, had the doctor with me several times. I suffered very much while the spell was on me. The Dr. thinks it will be likely to return upon me at times through life especially when I take cold, otherwise I am well as usual. I am teaching - have nearly finished 3 months, perhaps will teach 2 more. I have been having from 30 to 45 pupils. Am teaching in the same place I first commenced. The winter here has been very mild most of the time, but few cold days, blossoms on the peach trees up to January, but the winter has been very wet. Some of the farmers have sowed oats and they are looking very well. Some perhaps will plant corn last of this month. I do not recollect whether I wrote to you about buying a little piece of land or not. I have

bought about 52 acres of very good land in the woods. I am having it improved. I have had a good Box house with side room & gallery built upon it, and about 36 acres cleared & partly under fence. I expected to have it all cultivated this year but I don’t know whether I will succeed or not. I have been offered $500.00 for it on time. I have paid out a good deal of money on it & I think I shall keep it awhile & rent it out till I get some of my money back. I received a letter from George Aston a short time ago stating that your aunt Leydia Bush died in Nov. last of abscess of the lungs. That takes the last of our old family but me. There was nine of us once, but now only one and he is marching down the other side of the hill of life & will soon pass from the walks of life into the valley of the shadow of death to be seen & heard no more. The silence of the tomb, will soon inclose us in its cold & oblivious bosom and the very remembrance of us will be obliterated from the earth. But I must close. Write soon. Tell me how you are getting on in the world & how all the other children are doing. I hope you all are at peace with each other, & the world & doing reasonably well. My regards to all. Remember me as your father & well wisher in all that is noble & good.

/s/ J. W. Clark”

“Caledonia, Rusk County, Tex.
Nov. 23, 1890

Mrs. A. M. Driver

Dear Son & Daughter, I received you kind & affectionate letters sometime ago. It should have been answered earlier but a great portion of the time I am not able to write & in fact I do not feel like it any of the time, but I am anxious to hear from you all, & I am satisfied you want to hear from me & therefore I will try to write once in a while as long as I am able but one letter must suffice for you all at one time as I cannot write very frequently unless my health should improve...”

(balance of letter is missing and mutilated).

When he wrote this last letter he was very ill and did not expect to live. A letter dated March 16, 1891, concerning the division of his property indicates that he died sometime prior to this date. Apparently there were three daughters and one son who survived him at the time of his death.

Dr. Edgar S. Adams who was born Nov. 25, 1847, and died at Garrison, Nacogdoches Co., TX, June 24, 1918, was living at Caledonia, Rusk County in 1891 and was the executor of his estate. Dr. Adams made deed disposing of his land in Rusk County on Nov. 26, 1892.25

in Rusk and Shelby Counties respectively. Caledonia is in the southeast corner of Rusk County.

The first letter James Warren Clark wrote from Texas, after he first arrived was dated April 24, 1885, and indicated that he left Crofton, Christian Co., KY (14 miles north of Hopkinsville), April 6, 1885, and arrived at Henderson, Rusk Co., TX, three days later. The letter said in part, “I found Joe & folks all well, Albina says she would have,- etc.”

In 1956 Mr. Rufus A. Holt at an advanced age wrote this compiler the following which has been extracted from several of the letters which he dictated: “My mother (Rebecca Warren Clark) was 9 years old when her father (Warren Clark) came to Trigg Co., KY. Uncle Jim [James Warren Clark] was married twice and had a son by his first wife, who died young. Children by his second wife named Gus, Fred, and Alice all died with tuberculosis. Fred was very bright. Your great-grandfather (James Warren Clark) lived at our house three or four years before my mother died. Aunt “Elda” (Eleanor [Cummins] Clark your great-grandfather’s wife, Fred, Alice and Mandy all lived on my father’s farm in the country for two years. They were there when Fred took TB, then moved to Marion where Gus lived. Fred died in 6 months. Uncle Jim went to Texas and on his way he spent a month with my mother.”

Eleanor (Cummins) Clark is probably buried in the “old Cemetery” in Marion, KY, and apparently there is no monument since the compiler was unable to locate the grave. She is the daughter of David H. Cummins (born Feb. 16, 1806; died Montgomery Co., TN, Jan. 7, 1834) and Dorothy “Dolly” L. (Sills) Cummins (born Halifax Co., NC, Aug. 5, 1812; died Livingston Co., KY, March 14, 1863). For additional data see Sills Family and Cummins Family by Eugene E. Trimble.

In April 1988, Mrs. Margaret Prowse Mason, 109 So. Jessup Avenue, Hopkinsville, KY 42240, wrote: “I made a search of the three cemetery books for Christian Co., KY and one for Caldwell County [KY], and found 99 listings for Clark but nothing for Eleanor Clark. I did find cemetery dates on Rebecca Holt and husband. They were buried in a cemetery off the Dawson Springs road in this county. The cemetery is listed in the Cemetery book of the north part of this county, page 136 and is listed as Walker Cemetery. Some have told me that this cemetery may be the old Bethlehem Church cemetery. No church there now. This was copied March 26, 1966 ...a large cemetery with at least 150 field stone markers. Rebecca W. Holt, born Virginia, Jan. 21, 1826, died Oct. 16, 1884; W. B. Holt died July 4, 1891, aged 70 years.”

10. **Leander/Leeander Ceard Clark**: born 1842 - 1843; living McCracken Co., KY, 1860 in the household of James Vance, employed as a farm laborer; reported to have died when a young man; may have been married to Mary, age 14, who is shown following his name in the 1860 census. It is strange that Leander Clark is not shown in the 1850 census listing for Warren and Rebecca Clark. Who is the Leander Hargrove, age 8 in the Trigg Co., KY, 1850 census?

11. **Joseph Clark**: born Trigg or Lyon Co., KY, 1845-1846; living Bethesda Precinct, Trigg Co., KY, 1870. Joseph P. Clark, widower, was living in 1910; in Mississippi Co., AR, Fletcher Township. Joseph Clark shown in the 1880 census in Mississippi Co., AR was married to **Mary Ann Unknown** (born Arkansas, 1848 or 1849; living 1880; parents born in Missouri). Children shown in the 1880 census of Mississippi Co., AR. Of these Maggie and Ellen are the only two given by Warren Clark descendants to this researcher as children of Joseph Clark.
   39. Thomas Clark; born Arkansas [?], 1869 or 1870; apparently a twin.
   40. Adolphus Clark; born Arkansas [?], 1869 or 1870; apparently a twin.
   41. Robert Clark; born Arkansas, 1872 or 1873.
   42. Margaret “Maggie” Clark; born Arkansas, 1876 or 1877.
   43. Ellen Clark; born Arkansas, 1880, one month old in the 1880 census; married a Mr. Blythe.

Joseph Clark, age 25, single was living in Bethesda Neighborhood in Trigg Co., KY, in 1870 census with Elizabeth Byron, age 60 and Mary A. Byron, age 18, in the household.

Joseph Clark, age 34, born in Kentucky, father born in Virginia and mother born in Kentucky, was shown in the Mississippi Co., AR 1880 census with five minors in the household all born in Arkansas with surname Clark, however, the state of birth of the father for all these children is given as Missouri which makes one wonder if Joseph Clark is actually the father or a step-father. Joseph, the son of Warren Clark was reported by family members to have gone to Arkansas. This writer’s father Foster Trimble said something about Joseph working for a traveling circus, however this has never been confirmed. These five children appear in the household in 1910 but thereafter they cannot be located which makes one wonder if their surname was not Clark. In 1920 Joseph Clark, farmer, appears alone in the Mississippi Co., AR census.

Joseph Clark is found in Mississippi Co., AR in 1880 census with the following family:
- Joseph Clark - Self - Male; White; age 34 - born KY - Farmer; **father born VA - mother born KY**
- Mary Ann Clark - Wife - Married - Female - White - age 31 - born AR - Keeping House - father born in MO - mother born in MO
- Thomas Clark Son Single Male White age 10 AR MO AR
- Adolphus Clark Son Single Male White age 10 AR MO AR
- Robert Clark Son Single Male White age 7 AR MO AR
- Margaret Clark Daughter Single White age 3 AR MO AR (Maggie)
- no name, Clark Daughter Single White age 1 month born AR MO AR (this is probably Ellen who is reported to have married a Mr. Blythe)
12. **Virginia A. Clark**: born Trigg or Lyon Co., KY, April 1, 1848; died Feb. 11, 1937; living Christian Co., KY, 1880; living Denton Co., TX, 1910-1930; married in Kentucky, ca. 1873, **Benjamin Franklin Hammonds/Hammonds** (born Kentucky, 1846 or 1847; living Christian Co., KY, 1880; died prior to the 1910 census as his wife Virginia was then shown as a widow). Children as given by Clark descendants to this writer:

- 44. Icelone “Icy” Hammonds; female; born Kentucky, 1874-1875; living 1880.
- 45. John W. Hammonds; born Kentucky; living 1880.
- + 46. Ethel Hammonds; born Kentucky; 1886 or 1887; living Christian Co., KY, 1880; living Denton, Denton Co., TX, 1910; married first, Dan C. Garrison (born Texas, 1882 or 1883; living Denton Co., TX, 1910).
- 47. Everett Hammonds.

Benjamin Franklin Hammonds probably has some connection to Benjamin Hammond who is shown in the 1840 Caldwell Co., KY census, page 26.

“It has been a long time since I worked on the Clark family line so some of my info might be off and if it is please let me know so I can check into it. I have Warren Clark being born in "Old Virginia", serving in the war of 1812 and died in 1863 and buried near Rock Castle Trigg County KY. His first wife being Rebecca Frizzell and they having nine children where only two of the children were known. The first being a son named James Warren born Dec. 10, 1832 [sic.] and a daughter named Liddie. Warren then wed Rebecca Saunders Faughn in 1843 and they also had nine children; Joe, Will, Ace, Lynn, America, Louisiana "Lou", Virginia, Carolina, Leander Ceard.

Appendix A

Probable ancestry of Warren Clark [see no. 2 herein].

Warren Clark, as shown herein appears to be the son of Joseph Clark who was born ca. 1770 and died probably in or near Smith Co., TN, ca.1812, and wife Lydia Jones or Warren though this is not proved with certainty.  Joseph Clark is believed by this writer and others to be the son of Leonard Clark, Sr. who was born in St. Mary’s Co., MD, 1739-1740; died Pittsylvania Co., VA, Aug. 3, 1830 and his first wife Mary Messers, though this also is not proved with absolute certainty. Leonard Clark, Sr. was a son of Leonard Clark, born 1713-1714 tenant farmer of St. Mary’s Co., MD. These conclusions are supported by references shown elsewhere in this paper and in the literature on the Internet such as:
http://worldconnect.rootsweb.com/cgi-bin/igm.cgi?op=GET&db=cassj2000&id=I3164

Leonard Clark was recorded on the 1786 Granville Co, NC Tax List, living in the Fishing District (which is very close to Tabbs Creek).  He was listed as having 150 acres, one free poll, and two slaves. His family was enumerated as follows:
Leonard Clark  WM 21-60 years, born 1726-1765
5 WM under 21 & above 60
3 WF all ages
2 blacks 12-50
2 blacks under 12 & above 50.

The three white males under 21 and above 60 in this family are probably sons, and one of the older of these is believed to be the Joseph Clark father of Warren Clark (born Pittsylvania Co., VA, April 12, 1793). Leonard Clark appears to have moved about this time from Granville Co., NC to Pittsylvania Co., VA.

James V. Clark; 3975 Deer Run Way; Sacramento, CA; Shirley Hern, 5213 Gatewood Lane, Anaheim, CA 91807, <shirley.hern@pcmagic.net>, Peggy Childs Mitchell, 2204 Pin oak Drive, Starkville, MS 39759, <genes4fun@aol.com> and sundry other researchers have done a tremendous amount of research on this, their Clark ancestral line.

Warren Clark named a son Linn, probably for Leonard, and another son Joseph. Warren Clark married first, Rebecca Frizzell who was from a Maryland family. These facts plus other reasons convince this writer that Warren Clark was a descendant of this Maryland Clark ancestral line. Other members of this Clark family migrated from Maryland to the Caswell North Carolina and Pittsylvania Co., VA general area in the period 1785 to 1800. This writer personally remembers Mrs. Louisiana “Lou” Clark Hankins one of the surviving children of Warren Clark.

“Leonard Clark, a Revolutionary War Veteran, moved to Pittsylvania County, VA. after the death of his first wife, Mary “Mollie” Messers. He remarried in Pittsylvania County on January 10, 1798 to Mary Burgess of Pittsylvania County. I found him earlier in Wake County and in Granville County, NC. He was born about 1754 [sic., correct birth date is 1739-1740] and died in 1830. He received a military pension from the U. S. Government but I haven’t found a record as to where he was living, when he joined the service, or was raised. Some say Essex County, Va. [There is now general agreement that Leonard Clark, the RW Veteran was from the vicinity of St. Mary’s County, MD at the time of his military service.] He joined the Army in 1776. He probably married about that date. Has anyone run across this couple?”

Sherrie Adkins Morgan <lmorgan@marshall.edu> posted to Home: Surnames: Clark Family Genealogy Forum May 15, 2001: “I have Warren Clark’s father as Joseph Clark, but I do not have his dates and I also have Joseph’s parents as Leonard Clark born 1754 Halifax County, VA and died August 3, 1830 Pittsylvania County, VA and Mary Messers born about 1755 in Virginia and died 1790 in Wake County, NC. Leonard and Mary were married about 1773 had the following children: Joseph Clark unknown; John Clark born 1774 Pittsylvania County, VA; Thomas S. Clark born 1780 Pittsylvania County, VA; Leonard Franklin Clark born 1784 Pittsylvania County, VA.”

Michael Clay at <http://awt.ancestry.com/cgi-bin/igm.cgi?op=GET&db=:315369&id=12398> states that Leonard Clark was born in 1754 in Halifax Co., VA and died Aug. 3, 1830 in Pittsylvania Co., VA. James V. “Jim” Clark, 3975 Deer Run Way, Sacramento, CA, <jamesclark@lanset.com> and Shirley Hern, 5213 Gatewood Lane, Anaheim, CA 91807, <shirley.hern@pcmagic.net (Shirley Hern)>, Peggy Childs Mitchell, 2204 Pin oak Drive, Starkville, MS 39759, <genes4fun@aol.com> and sundry other researchers have conclusively shown that the Leonard Clark of Pittsylvania Co., VA was from St. Mary’s Co., MD where he entered the Revolutionary military service from which he suffered disabling injuries to his legs while a prisoner of the British in New York. The Pittsylvania Co., VA records shown he was exempt from taxes and his military record is well documented. See Genealogy.com Clark Family Forum posting #44 of July 23, 1999.

Chronology for known Leonard Clark(e)s, circa 1740-1840

January 1768

“State of His Lordships Manor of Chaptico, in St. Mary’s County, January, 1768.”

“A = Date of Lease
B = To whom Leased
C = Number of acres
D = Tenant in Possession
E = Annual Rent
F = Alien Fine, “Fines Due”
G = Quality of Land
L = On What Lives or Term of years, now held.

(The ages shown above appear to be computed as for 1768.)

1776

In The History of Pittsylvania County, Virginia by Maud Carter Clement, published by J. P. Bell Company, Inc., Lynchburg, VA, page 150, is found: “Leonard Clark stated in a petition to the Virginia General Assembly that he enlisted in the Continental Service in 1776 for three years; that he was captured and held a prisoner in a house in New York City without a fire, and as result of his sufferings has lost the use of his limbs.”
This goes along with family history that his limbs had been frostbite when he was a prisoner. Supposedly, he came to Mississippi one time and an elderly lady told about him and said that he was crippled.

Note: The above petition cannot now be found at The Virginia State Library.

An Intimate History of the American Revolution in Pittsylvania County, Virginia, by Frances Hallam Hurt, lists on page 149: Clark, Leonard. Soldier. Continental Line, three years.”

47 Netti Schreiner Yantis, A Supplement to the 1810 Census of Virginia: Tax lists for the counties for which the census is missing, 1971. The only other Clarks of possible interest in this 1810 list would be James and James, Sr. in Henry County, VA. Buckner Jones is shown in Henry County in 1810 (probably the Buckner Jones son of Mosias/Moses M. Jones, deceased of Pittsylvania County, VA.. Mosias gave property in his will to Lydia the mother of Warren Clark).
U. S. Rifle Corps

(Eugene E. Trimble was told by the retired head of the National Archives Military Records Division who was then working part-time, that “U. S. Rifle Corps” means absolutely nothing because there was no U. S. at the time of Leonard Clark’s service.)

Placed on pension roll on 12 August 1814
Commencement of pension 18 January 1814
On 24 April 1816 pension increased to $96.00 per year.
Died August 3, 1830.”

Apparently, the amount received at the $60.00 annual rate was $856.00 and the amount received at the $96.00 per annum rate was $1,370.13

Clarke's Pet.o

Rejected

This is the entire report received. The "papers" mentioned above were not attached to the copies of the petition. Nor did the Lib of VA
suggest other materials we could order so don't know if this is all there is or not. It certainly does seem to confirm that he was the Leonard Clark of MD and that his marriage took place there before the war. Jim, do you have any particulars on a battle at Fort Washington? This information is very helpful but hints at so many things that were not included. The long list of acquaintances my provide some clues. It suggests more strongly than ever (by the names of the near neighbors) that the William Clark in 1830 was his son.

I look forward to your comments.

Sarah “Sally” Clark [see no 3 herein] and Darius Moulton.

Sarah “Sally” Clark: born Virginia, 1815 or 1816; living Caldwell Co., KY, 1850; moved to Texas; married prior to 1850, Darius Moulton (teacher; born Vermont, 1801-1802; living Caldwell Co., KY, 1850; moved to Texas). No children are shown in the 1850 census.\(^{48}\) James Clark, born Virginia, 1831-1832, and his sister Rebecca, born Virginia 1827-1828, were living in 1850 in the household of their sister Sally (Clark) Moulton.

According to the 1850 Caldwell County, KY 1850 census, Darius Moulton, teacher, was born 1801-1802 in Vermont and married to Sally. From Rufus Holt, a nephew by marriage, it is known that Sally was a daughter of Warren Clark. It is not known where Darius was living in 1860. Darius moved to Rusk Co., TX where he married second, Dec. 3, 1868, Nancy J. Lorance (Lawrence?). They are shown in the Rusk Co., TX 1870 census as residents with Post Office at Henderson in Precinct #4, page 430: dwelling 144 and household 145: Darius Moulton, 68 years of age male, white farmer, $500 real estate and $375. personal property, born in Virginia (sic.) with wife Nancy J.,\(^{49}\) 34 years of age, born in Alabama, and children Margaret,\(^{50}\) age 17, born Mississippi; Albina A., age 16, born Texas; Monroe, age 10, born Arkansas; and Sarah J. 7 months of age, born in Texas. It is apparent that only the last named child, Sarah J. is that of Darius and Nancy even though Moulton is given as the surname for all the children in the census. What happened to these children, indeed all the family, is not known.

James Warren Clark, a brother of Sally (Clark) Moulton shown above mentioned Albina in a letter he wrote from Rusk Co., TX to one of his daughters in Kentucky.

MOULTON CEMETERY - [Information taken from "Choice White Pines and Good Land,"
Plainfield's history.] Deriving its name from Darius Moulton who owned property adjacent to it, it is east of Route 120 on the south side of Andrews Lane. It contains the graves of several members of the Moulton family. The oldest part of the graveyard is the western section. Trust funds are available for the cemetery's maintenance.
Appendix C
Unlikely first son [see no. 5 herein] of Warren Clark.

The following account is of one David William Clark, said to have been born in Smyth or Washington County, VA, May 16, 1823, married in Pittsylvania Co., VA, Nov. 17, 1844, who is purported to be a son of Warren Clark and Rebecca Frizzell. This is extremely unlikely and there was never any mention by any of Warren’s descendants, or in any of the documents, of a son named David William. Warren Clark moved to Western Kentucky in 1835 and his son born 1820-1825 was not shown in Warren’s family in the 1840 census. Warren married second, in Trigg Co., KY, Jan. 5, 1843. Warren Clark and his second wife named a son William Clark which would be unlikely if he already had a son David William Clark then living.

For an extremely complete genealogy of the descendants of David William Clark by Debbie at http://wc.rootsweb.ancestry.com/cgi-bin/igm.cgi?op=REG&db=4499&id=I47341 email address deb@powere.net updated to Feb. 03, 2010; in which she has indicated no identifiable father for David William Clark.

Jasper Clark, 61 Queens Lane, Kunkletown, PA 18058, phone 610-381-4002, <jayclark@ptd.net> and Michael Clay <mclay@crowderry.com> and apparently others probably erroneously believe that the first son of Warren Clark was, according to their data, one David William Clark born May 16, 1823 in Smyth/Washington Co., VA and died Nov. 12, 1888 in Wayne Co., WV. David William Clark, they indicate, married in Pittsylvania Co., VA, Eliza Anne Cook, daughter of Thomas Cook and Nancy Bolling. Eliza Anne was born Dec. 13, 1827 in Washington Co., VA, and died Nov. 26, 1919 in Wayne Co., WV, and is buried in Watson Cemetery 4 Mile WV.

jayclark@ptdprolog.net
“Great-grand father was David William Clark, born in Smyth County, VA, May 23, 1823; was in Pittsylvania County, VA in 1850; in Tazewell in 1860; and moved to Wayne County, WV, in the early 1870's and died Nov. 12, 1888. David William Clark married Pittsylvania County, VA, Nov. 17, 1844, Lisa Ann Cook (died Nov. 26, 1919, daughter of Thomas Cook Nancy Jane Bolling and had nine children.”

Michael Clay51 gives the children of David William Clark and Eliza Anne Cook as:
1. Sarah Jane Clark was born Nov. 27, 1845.
2. Nancy Margaret Clark was born Sept. 11, 1848.
3. Mary Muglin Clark was born April 4, 1850.
4. Lydia Ann Clark.
5. Lydda Ann Clark was born June 15, 1852.

51 For this and later generations see:
http://awt.ancestry.com/cgi-bin/igm.cgi?op=REG&db=:3153690&id=12398
6. Lewis Henry Clark was born July 23, 1854 in Virginia, and died March 4, 1903 in West Virginia.
7. William Lamar Clark was born Sept. 22, 1856.
8. David Washington Clark
9. David William Clark, Jr. was born March 18, 1858 in Virginia, and died Nov. 17, 1928 in West Virginia.
11. Francis/ Frances Alice Clark was born July 23, 1862 in Virginia and died May 1, 1911 in West Virginia.
12. Mary Elizabeth Clark was born Aug. 26, 1864 in Tazewell Co., VA, and died Feb. 12, 1930 in Lincoln Co., WV.

If we study further the origins of David William Clark, who is reported to have been born May 16, 1823 in Smyth, Washington Co., VA and married Nov. 17, 1844 in Pittsylvania Co., VA and had as a first child, Sarah Jane Clark, born Nov. 27, 1845: The ancestry of David William Clark is given at this web address:

which gives the parents of David William Clark as Henry Clark and Cassandra Philpott. Ancestry.com also gives generations prior to Henry and Cassandra.

“I have information on my great great grandfather. He first married Rebecca Frizzell in Pittsylvania County, VA. In about 1834 he moved to Trigg County, KY and married another Rebecca. Will share information as I still need to find two of his daughters. I am from Warren and Rebecca Frizzell. Do you know who his parents was [sic.]?”

This writer has not seen documentation that Mr. Jasper Clark is a descendant of Warren Clark and Rebecca Frizzell through a son named David Clark.
Appendix D
Rebecca Warren Clark; [see no. 6 herein] married William B. Holt

1. Oscar Holt; lawyer; born Kentucky, November 1845; living Murray, Calloway Co., KY, 1880; married Josie H. Unknown (dress maker; born Kentucky, 1843-1844; living 1880; shown as a widow in the Calloway Co., KY 1900 census and head of household). Children shown in the 1880 census:
+ 2. Lena Holt; born Kentucky, April 1866.
+ 3. Campbell Holt; born Kentucky, March 1869; living 1900.
  4. Courtney Holt; born Kentucky, 1869 or 1870.

The father and mother of Oscar Holt were born in Kentucky. The father of Josie H (____) Holt was born in Delaware; the mother was born in Alabama according to the 1880 census; in 1900 the parents are shown as born in Kentucky.

2. Lena Holt; born Kentucky, born April 1866; shown as a widow in the 1900 Calloway Co., KY, census with three children, two of whom were then living. The father of son Oscar Lamar Holt, according to Michele Wollert was Rufus A. Holt [i.e., Rufus Andrew Holt; born Kentucky, June 9, 1862; died Riverside Co., CA, Oct. 4, 1957] who presumably was also the father of Rufua A. and Warren B. shown as sons of Lena Holt in the 1900 census:
  + 5. Oscar Lamar Holt; born Kentucky, July 18, 1888; died San Diego, CA, April 7, 1966; SS# 561-34-4216 California death record shows maiden name of mother was Holt.
  6. Rufus A. Holt; born Kentucky, Nov. 25, 1890; died Madera Co., CA, May 16, 1952; California death record shows maiden name of mother was Holt.
  7. Warren Bowman Holt; born Kentucky, Aug. 21, 1893; died Los Angeles, CA, June 29, 1953; SS#545-24-4927; California death record shows maiden name of mother was Holt. Warren Bowman Holt was living with his mother in 1910.

Lena Holt is shown in the 1910 Calloway Co., KY, census, age 44, wed one year, to Joe N. Farley (born Kentucky, age appears to be 64; SD 1; ED 21; Sheet 8B; page 36.

3. Campbell Holt; printer; born Kentucky, March 1869; married Calloway Co., KY, May 4, 1887 [Certificate, page 244; W. T. Sledd was surety] Calloway Co., KY, May 4, 1887; Minnie Sledd (of Calloway Co., KY; born Kentucky, 1880 or 1881; deceased by 1900). Campbell Holt was shown as a widower in the 1900 Calloway Co., KY census. The Bradley Holt shown as a grandson of Josie H. Holt in the 1900 census is according to Michele Wollert, the son of Campbell Holt.
  8. Bradley Holt; born Kentucky, August 1890; died 1951; “lived in Northern Indiana.” Bradley Holt had a daughter, who was mother of Michele Wollert.

Campbell Holt was living in North Cadiz, Trigg Co., KY in 1900, born March 1869, a
Campbell Holt had a great-granddaughter Michele Wollert, PhD, who furnished part of this family history. Michele wrote, “I am looking for information about this branch of the Kentucky Holts. My grandfather was Bradley Holt (died 1951), who lived in Northern Indiana.—My mother was a Holt from the Murray, KY area. Her great-uncle, Felix Holt (1898-1954) was an author who wrote a book called ‘The Gabriel Horn.’ It was made into a movie in the 1950’s called ‘The Kentuckian’ starring Burt Lancaster. 1. Children as given by Clark descendants to this writer:
   2. Icelone/Icy Hammonds; female; born Kentucky, 1874-1875; living 1880.
   3. John W. Hammonds; born Kentucky; living 1880.
   + 4. Ethel Hammonds; born Kentucky; 1886 or 1887; living 1910.
   5. Everett Hammonds.

Ben Hammonds probably has some connection to Benjamin Hammond who is shown in the 1840 Caldwell Co., KY census, page 26.

Jerry Ford <jejhford@aol.com> wrote on the Hammonds Family Forum of Genforum.com, “I am looking for any information on the Hammonds Family from Christian County, KY. The small amount of information I do have starts with Benjamin Franklin Hammonds (born 1847; died 1918 [sic.] [who] wed Virginia A. Clark (born 1847; died 1937). Thank you for any help.”

Clark Family Forum posting 19196, by Jerry Ford:

“It has been a long time since I worked on the Clark family line so some of my info might be off and if it is please let me know so I can check into it. I have Warren Clark being born in "Old Virginia", serving in the war of 1812 and died in 1863 and buried near Rock Castle Trigg County KY. His first wife being Rebecca Frizzell and they having nine children where only two of the children were known. The first being a son named James Warren born Dec. 10, 1832 and a daughter named Liddie. Warren then wed Rebecca Saunders Faughn in 1843 and they also had nine children; Joe, Will, Ace, Lynn, America, Louisiana "Lou", Virginia, Carolina, Leander Cead. “I have each of the children's birthdays and who they wed and there children. If you need any more information let me know and if you have any more info to share on Warren then please do let me know.

Ethel Hammonds married second, Jonas Calvin Fuson (born Missouri, 1846-1847; living Denton Co., TX in 1920; parents born in Ohio). Children enumerated in the 1920 census of Denton Co., TX. In addition Cletice is shown, with the wrong surname which should be Garrison as in the 1910 census:

7. Oleta Fuson; daughter born Texas, 1912 or 1913.
9. America Fuson; daughter; born Texas, age in 1920 was one year and three months; eleven years of age in 1930 census.

Virginia (Clark) Hammonds is shown as mother-in-law in the Jones C. Fuson household, mother of Ethel (Hammonds) Fuson.

************

It is interesting to note that of the children of Warren Clark by both wives, some four to six of them moved to Texas. It is documented that Sally (Clark) Moulton [her name was probably Sarah]; Leydia A. (Clark) Bush; James Warren Clark; and Virginia (Clark) Hammonds all lived in Texas. One other child of Warren Clark probably ended up in Arkansas, Joseph Clark, born Trigg or Lyon Co., KY, 1845-1846.

William Clark, operator of a saw and grist mill; son of Warren Clark, was born in Trigg or Lyon Co., KY, 1848-1849; living in Trigg Co., KY and single in 1880; and apparently died in Livingston County; married 1887 or 1888, Ida Belle _____ (born Tennessee, July 1865); and had children: Ada B. born May 1888; Joseph W., born Kentucky July 1891, living 1900; and possibly David. Ada B. (Clark) Campbell was born in Kentucky, May 1888, and died at the age of 92, Sept. 7, 1980; in Livingston County while a resident of Crittenden County. She married Claud/Claude Campbell. David Clark married Mattie Holder and had a child Willie Clark.

68 The last will dated Sept. 28, 1810 and proved Nov. 19, 1810, of John Snoddy is recorded on pages 353-354, of the probate records of Pittsylvania County, VA in which he names nine children - his daughters Betsey Snoddy; Polley Snoddy; Salley Hawkes; Frances Jones; Jinney Hawkes; Anney Clark [wife of Leonard Clark]; and sons Robert Snoddy; Thomas Snoddy (not of legal age) and William Snoddy. 69 Peggy Childs Mitchell of Starkville, MS, <GENES4FUN@aol.com>, wrote on Jan. 21, 1999: “My Clark is Edward Burgess Clark. His father was Leonard Clark & Polly Burgess. Leonard & Mary “Polly” Burgess married 18 Jan. 1798 in Pittsylvania Co., VA. Leonard was born about 1754 in VA and died 1830 (still in Virginia). He served in the Rev. War. Leonard and Polly only had the one child, Edward Burgess (Note: William Clark appears to be a second son of this marriage; see disposition of 55 acres that Leonard Clark owned in Pittsylvania Co., VA). Leonard would have been about 44 and Polly about 34 when they married. I always felt he might have had another family before they married. Never proved anything. Edward Burgess married Lodicy Hiers about 1828 and they moved to Mississippi in 1836 and died in Mississippi. They had nine children.”
According to the Vestry Book of Camden Parish 1767-1820, transcribed by Mary Leight Boisseau, Danville, VA, 1986: The Overseers of the Poor for Camden Parish at Pittsylvania County Courthouse contributed “To Leonard Clark for his support” under dates of Sept. 2, 1805; Sept. 1, 1806; Sept. 22, 1807; June 5, 1809; June 4, 1810; June 6, 1811; and June 1, 1812. No further entries after June 1, 1812.

With the facts currently assembled, it seems that Leonard Clark, Sr. married (probably second) Mary “Polly” Burgess. This is a little strange, however, since the bride was under age and her father William Burgess had to give consent. Leonard Clark, Sr. is shown as “Exempt” in the Tithe lists of Pittsylvania County. The younger Leonard Clark married Ann “Anney” Snoddy, Pittsylvania Co., VA, Dec. 9, 1809. She was the daughter of John Snoddy whose will in Pittsylvania County names her. The 1820 census record of Smith County, TN, shows four sons and one daughter for Leonard Clark.

Where did Leonard Clark reside in Tennessee - he was living in Tennessee by 1818 or 1819 when his son Bird or Byrd L. Clark was born. Leonard Clark is shown in the Smith County, TN 1820 census (page 12), along with, James Clark (page 9), Robert Clark (page 9), and Benjamin Clark (page 11). Each head of household is numbered on this schedule and the pages given are the old cursory pagination:

#330 Robert Clark, born 1775-1794, with one male born 1810-1820; two males born 1804-1810; three females born 1810-1820; and wife born 1775-1794.

#333 James Clark, born 1775-1794, with two males born 1810-1820; one male born 1804-1810; one female born 1810-1820; one female born 1804-1810; and wife born 1775-1794.

#402 Benjamin Clark, born 1775-1794, with three males born 1810-1820; with wife born 1775-1794.

#434 Leonard Clark, born 1775-1794, with four males born 1810-1820; one female born 1810-1820; and wife born 1775-1794.

The 1830 census of Tennessee, which is incomplete, shows in Smith County: Benjamin Clark (page 102); Ephraim Clark (page 97); George W. Clark (page 119); James Clark (page 79); Jemu Clark (page 94); Walter M. Clark (page 60); Lemuel Clarke (page 35); Edward Clarke (page 123); Roland Clarke (page 40); and Woodson Clarke (page 40).

The Smith Co., TN 1840 census shows the following Clarks: Watson, page 261; Thomas C., page 302; Thomas A., page 263; Rollin, page 271; Rollin again on page 271 (is this the same as Roland Clarke shown in 1830?); Mary, page 229; Madison, page 229; James, page 294; Isom, page 302; H. P., page 229; and Antony, page 225.

In the 1840 census of Tennessee, a “Leonard Clark” is shown as a resident of Haywood County (page 395), along with Thomas Clark (page 399), and Peter Clark (page 387). This
Leonard Clark is shown in 1840 as follows: 0000100001-200020001, i.e., 70 to 80 years of age and born 1760-1770. This age does not fit well with neither the marriage date of Jan. 18, 1798 nor the Dec. 22, 1809 in Pittsylvania Co., VA, nor does it agree with the age of Leonard Clark given in the 1820 Smith Co., TN census record. Who is this Leonard Clark?

The 1810 census for Halifax and Pittsylvania Counties, VA are missing, however the tax list of 1810 shows the following Clark taxpayers in Halifax and Pittsylvania Counties:
- Andrew Clark, page 11, Halifax County
- Boling Clark, Jr., page 18, Halifax County

The listing for Leonard Clark shows he is exempt from paying his Tithe. This means he is the Leonard Clark, Sr. who petitioned the state of Virginia for exemption due to disability for reason of injuries to his limbs received during the Revolutionary War, which exemption was granted after 1795. In the Pittsylvania Co., VA District ‘B’ tax lists for 1811 and 1812 Leonard Clark, Senior is exempt and Leonard Clark, Junior is shown with one tithable.

72 In Church of the Latter Day Saints film #319127, page 46, Rouland Clark, the Bargainer, signs a deed of trust dated Aug. 22, 1840, to J. H. Legin, which was acknowledged before the clerk of Court of Smith Co., TN. This must be the Roland Clarke shown in the 1830 Smith Co., TN census! This suggests some connection between the Leonard Clark of Smith Co., TN in 1820 and the Leonard Clark of Haywood Co., TN in 1840.

73 A Supplement to the 1810 Census of Virginia; Tax Lists of the Counties for which the Census is missing; Edited by Netti Schreiner Yantis, 1971; see index page 14, etc.
With the above data it is possible that Leonard Clark, Jr. who married Ann or Anna Snody Pittsylvania Co., VA, Dec. 22, 1809 is the son of Leonard Clark, Sr., and is the Lenard Clark with wife Anna shown as parents of Bird L. Clark in Crittenden Co., KY. Dennis E. Clark, 6334 Fairway Forest Drive, Roanoke, VA 24018, reported to James V. Clark of Sacramento, CA that Leonard Clark (1820 Smith Co., TN) was a son of the Joseph Clark of Claiborne Co., TN who in turn was the son-in-law of James Smith who died in 1802 in Halifax Co., VA and left a will in which he named the children of his daughter Nancy, wife of Joseph Clark. This doesn’t check out because the children named in James Smith’s 1802 estate settlement includes (1) Caroline Matilda wife of William Slate, (2) Isham Clark, (3) Silas Clark, (4) and Phebe who married John Simmons, but no Leonard Clark is named. Of course Leonard Clark (1820 Smith Co., TN) could have been the son of some other Joseph Clark. As a matter of fact, one Isham Clark and one Joseph Clark, both born prior to 1776, are shown on page 35 of the Bedford Co., VA 1820 census! Did this Joseph Clark leave an estate settlement - among his property in 1820 were eight Blacks.

There is what appears to be a Leonard Clark listed in the Pittsylvania Co., VA census, page 50, whose household shows 1 male born 1804-1810; 1 male born 1794-1804; and Leonard born prior to 1776; with wife born prior to 1776. This is probably the Leonard Clark who married Mary Burgess (daughter of William Burgess) and is reported to have returned from Tennessee to Virginia where he died. He is supposed to have had a son Edward Burgess Clark (see Smith Co., TN 1830 census) who moved to Mississippi.

In 1962, I visited Rusk Co., TX in search of the burial place of my James Warren Clark. I found the record of his estate settlement in Henderson at the Court House. I was never able to find the place of burial, however while there I learned of Oos Clark who lived in Timpson, Texas and he wrote me a letter which is quoted below:

Oos Clark

Timpson, Texas
Sept. 13, 1962

Dear Mr. Trimble:

I received your letter but I don’t think I can be of much help. My Father’s name was Warren Clark but his initials was N. W. I don’t know what the N stands for. He came from Alabama to Texas and married Mahaley Sawers. Came to Texas in 1883 or 1884. He died in 1903. He was 54 years old. There are some Clark [sic.] lives at Center, Texas and Chaise, [?] Texas. One named Dub Clark, Ce[n]ter, Texas might get some information from them if you could write to county seat
in Rusk County.

Your Truly
Oos Clark

In a follow up on the above letter I found Mr. Clark’s father in the 1880 census of Coffee Co., AL, Beat. No. 9, Clintonville, Volume 6; Enumeration District 44; Sheet 23; Line 7 as follows:
N. W. Clark; age 31; born in Georgia
Mahala Clark; age 35; wife; born Alabama
Ammie B. Clark; age 5, daughter, born Alabama
George A. Clark; age 4; son, born Alabama
Henry Clark; age 1; son, born Alabama.

Since N. Warren Clark gave Georgia as place of birth, I checked the Georgia 1790-1870 census index for any one named Warren Clark and found a “Warren Clark” in 1830 in Baker County, page 20; and a Warren Clark in 1830 in Burke County, page 142. Their relationship, if any, to N. Warren Clark of Coffee Co., AL, is unknown.

Research that might provide further answers:

1. Did Joseph Clark, born prior to 1776, of Bedford Co., VA 1820 census leave a will?  
2. Administration and probate records of Smith and Haywood Cos., TN for record of any Leonard Clark.  
3. Did William Burgess of Pittsylvania Co., VA leave a will mentioning his daughter Mary Clark. He probably had another daughter; see marriage records?  
4. Re-examine closely the estate record of James Smith of Halifax Co., VA for any mention of a
grandson named Leonard Clark.

6. Granville Co., NC shows in 1790 census, Leonar, Nathaniel, Phebee and Wm. Clark, pages 91, 92, 84, and 84 respectively.

7. Two Clark marriages wherein the bride was named Lydia are interesting but probably have no connection to the widow Lydia Clark of Pittsylvania Co., VA.

*Marriages of Johnston County, NC 1762-1868* page 25: Harris Clark and Lydia Gower, Nov. 14, 1789; James Carrell, bondsman. Harris Clark is shown in the 1790 census, page 142, of Johnston Co., NC as 1-1-1-0-2; James Carrol, 1-0-0-0-0, also appears.

8. Who is the Joseph Clark who purchased 200 acres in Pittsylvania Co., VA (Deeds B7, page 465) and sold above tract July 18, 1791; no wife co-signature, to Frances Chumbley (Deeds Vol. 9, page 25).

The Joseph Clark who was residing in Claiborne Co., TN, in 1802, married Nancy Smith daughter of James Smith of Halifax Co., VA. Children as shown in estate settlement of James Smith of Halifax Co., VA.: Caroline Matilda; Isham; Silas; and Phebe The latter three were residing in the state of Tennessee in 1802.
