## **Mallett Families of Virginia, Georgia, Arkansas, and Western States**

The surname Mallett is supposed to have originated in England and in France, and was given to descendants of little Mal, a pet form of names like Malcom, Malcuf and Maldred; also given to descendants of little Malo or Maclou, a saint of the Seventh Century.<sup>1</sup> There are many other theories as to the origins of this family of names: Maillet, Malet, Mallet, Mallett, Malott, Mellott, Millet, Millett, Mollett, Mollette, Mullett, etc.

The arrival in America of the ancestors of Jesse Mallett, Sr. (born 1770-1780; died after 1840) of the state Georgia is spelled out in great detail in *Historical Southern Families* by John Bennett Boddie.<sup>2</sup> For a definitive account of the early generations one should read his work.

### **First Generation**

1. **Stephen Mallett**,<sup>3</sup> or Etienne Malet and his wife “**Marie Unknown**” (“Theph. Mallott and wife”), Huguenots, came in 1699 to Manakintown, Henrico Co., VA. He was born probably in 1674, a native of Bordeaux in Guienne and died in Henrico Co., VA, in 1712 where his will is dated April 2, 1712, and probated June 2, 1712. Children named in the will:

- + 2. Etienne; born 1706-1707.
- 3. Marie; died unmarried.
- + 4. Suzanne; died Dec. 15, 1722; probably married Tobit Lafitte of Manakintown, VA.

Boddie says Stephen Mallett was probably born in 1674 and likely the son of Jacob Malet and Madeleine Aidelot, nephew of another Etienne Malet, and grandson of Etienne Malet and his wife Anne Bergoin of Montauban, France.<sup>4</sup>

### **Second Generation**

2. **Etienne/Stephen Mallett**; born 1706-1707; “probably died in Mecklenburg Co., VA about 1770-1771”; churchwarden and vestryman of King William Parish; in 1750 moved to that part of

4. **Suzanne Mallett**; died Dec. 15, 1722; probably married **Tobit Lafitte** of Manakintown, VA. Child; possibly among others:

12. Ester.

## Third Generation

6. **Etienne/Stephen Mallett**; born Nov. 25, 1731; married **Rachel Unknown**. Children said to have been born not later than 1760:

- + 13. Stephen, Jr.; born about 1750-1751; of Lunenburg Co., VA; married Mary \_\_\_\_.

- 22. Sally; who along with her brothers Isaac and Joseph was paid by her father as witness in a law-suit March 15, 1792.

14. **Zachariah Mallett**; died probably between 1790 and 1800; married prior to 1777, **Mary Noel** (daughter of Hugh Noel of Lunenburg Co., VA). Children:

- 23. William; born 1777-1778
- 24. Howell; born 1778-1779
- 25. Thomas; born 1782-1783; married Mecklenburg Co., VA, February 1804, Betsy H. Allgood.

All of the above generations and all data shown above are from *Historical Southern Families* by John Bennett Boddie.<sup>5</sup>

### Fifth Generation

20. **Jesse Mallett, Sr.**,<sup>6</sup> blacksmith and millstone cutter by occupation and of French descent, born in Virginia, 1774-1775; died Monroe Co., GA; where he was living in 1830 and 1840; married Unknown (born 1770-1780; living 1840). One child Jesse, Jr. is documented, and possibly there were others such as Samuel, born 1800-1810:<sup>7</sup>

- + 26. Jesse, Jr.; born Dec. 13, 1803; died December 1860.

Jesse Mallett was living in Hancock Co., GA, as early as 1802, since his son was born in this county, and as late as 1812 on *Turckey* Creek and Buffalo watercourse where he is shown on Hancock County Tax Lists of that date.<sup>8</sup> Jesse Mallett's ancestors were among the thousands of Huguenots, French Protestants, who were, because of religious persecutions, forced to leave

Monroe Co., GA was formed in 1821 from Creek Indian Cessions and was distributed by way of the 1821 Land Lottery. Jesse Mallett of Colemans Militia District Hancock County drew two lots: one in Dooly County and one in Monroe County.

Others of the name were in South Carolina.- Peter Mallet owned the Sloop *Sparrow* which was sold under court order May 23, 1768 by the Provost Marshal of South Carolina in Charles-Town.<sup>9</sup>

Jesse Mallett, Sr. was as shown above connected with the three heads of families named Mallett living in Virginia in 1790.<sup>10</sup> They were Stephen Mallett, Stephen Mallet, Jr. and Zach. Mallett and were all living in Mecklenburg County. Malletts were living in Mecklenburg Co., VA as late as 1825, since George W. Mallett of Dallas Co., AR, was born in Mecklenburg Co., VA, April 13, 1825.<sup>11</sup>

The Samuel Mallett born 1800-1810 and living in Monroe Co., GA, in 1830 and 1840 appears to have been a son of Jesse Mallett, Sr. Samuel Mallett and his wife who was born 1800-1810; and living 1840, had five boys and two girls in the family in 1840. Some of the descendants of Samuel Mallett are still living in Georgia.<sup>12</sup>

### Sixth Generation

26. **Jesse Mallett, Jr.**;<sup>13</sup> farmer, Justice of the Peace, born in Hancock Co., GA, Dec. 13, 1803; died Union Township, Conway Co., AR, December 1860; married in Monroe Co., GA, about 1826, **Matilda Tabitha Shirley** (Shirling, Sterling, etc.; born Mecklenburg Co., NC, Dec. 25, 1810; died Conway Co., AR, March 10, 1875). Jesse Mallett, Jr. was a successful farmer, moving to Conway Co., AR in 1844, according to Mr. Sam Mallett. The family lived in Alabama and Mississippi for short periods. One of the children was born in Mississippi. In 1860, Jesse Mallett listed real estate of \$6,000. and personal estate of \$1,000. - a prosperous farmer for that locality. Matilda Tabitha Shirley was a daughter of William Shirley (Sterling, Shirling, etc.) who died in Georgia but formerly lived in North Carolina. One "William Shirley"<sup>15</sup> was living in Warren Co., GA, prior to 1818 and in 1840. Warren County adjoins Hancock County. One "William Shirling" is listed on pages 203 and 211 of the 1830 census for Monroe Co., GA. These two listings appear to be for the same person and he is believed to be the father of Matilda Tabitha (Shirley) Mallett. William Shirling appears to have been born 1780-1790 and his wife was born about 1791 and not prior to 1790. In 1830 there were two boys under ten years of age and one girl under five and one girl of ten and under fifteen years of age in the family.

George W. Mallett enlisted in June 1862 in Capt. J. D. Morgan's Company of Arkansas Infantry and in December 1863 joined Company G, Third Arkansas Cavalry until June 1865.

"George W. Mallett, prominently numbered among the pioneer settlers of Conway County, was born in Carroll County, Georgia, in 1839, and is a son of Jesse and Tabitha (Sterling) Mallett, the former born in Hancock County, Georgia, in 1803, and the latter in Mecklenburg County, North Carolina in 1810. They were married in Monroe County, Georgia, but afterward lived a short time in Alabama and Mississippi, and about the year 1841 immigrated to Conway County, then almost a wild waste, and thinly settled, and where game was abundant. He located in what is now Faulkner County, where he took an active part in the improvement of the county, and spent his future life as a farmer, serving as Justice of the Peace a short time. His death occurred in 1860, but his estimable wife survived him fifteen years. They led an industrious and moral life, although not identified with any religious denomination. The grandfather of our subject (Jesse Mallett) was a Virginian by birth, but died in Monroe County, Georgia. He was a blacksmith and millstone cutter by occupation, and was of French descent. William Sterling, the maternal grandfather, died in Georgia, but formerly lived in North Carolina. G. W. Mallett was reared to farm life, being educated in the subscription schools, and aided in clearing up the old homestead farm. He enlisted in June, 1862, in Capt. J. D. Morgan's company of Arkansas Infantry, of the Confederate army, and fought at Prairie Grove and at Helena, and when the army went south he remained in Arkansas, and in December, 1863, joined Company G, Third Arkansas Cavalry, and operated in Arkansas till June, 1865, when he was honorably discharged, and returned to farm life, and the same year he was married to Henrietta Cashirighi and native of Italy, and daughter of Gilbert and Mary M. Cashirighi, who were natives of Italy, where they were reared and married, but in an early day came to Arkansas, and lived some years in Prairie County, but prior to the war came to this county, where Mr. Cashirighi was engaged in farming. He died about 1886, and his wife followed him two years later. Both were members of the Methodist Episcopal Church, South. To Mr. and Mrs. Mallett were born ten children, three sons and five daughters, living. After his marriage Mr. Mallett continued to reside in what is now Faulkner County for a few years. He then removed to this side of the Cadron, and settled in the woods, but has since opened up about 100 acres of land, being the owner of over 600 acres in all, which is the fruit of his won industry. His aid and influence have ever been devoted to the growth and welfare of this locality. He is independent in politics, and he and Mrs. Mallett are faithful members of the Methodist Episcopal Church, South."<sup>22</sup>
